Charming Villa, detached, 1 floor, separate entrance, in a(an) Private property

- **Ideal for all age groups**
- **View**: panoramic, not overlooked, countryside, forest, village, nightlights
- **Setting**: rural, grape region

"The 'cotton wool' are always ready to pamper you! When coming home of a cultural excursion the candles are lighted, the fireplace burns, the anti-mosquito facilities are in operation, the wooden tub is on temperature and there might be a nice Tuscan snack ready! Because the terraces are scattered around the grounds, each guest has his 'own space'. Every day the facilities are maintained and cared for. All harvest ripe products can be freely used. Use of the Hammam and bath towels is a matter of course. Except the products for consumption 'on' the BBQ, all necessary attributes (including charcoal) are available. The use of wood for the 3 open fireplaces is free. For more atmosphere moments are there candles and tealights. If the weather conditions are asking there is floor heating and central heating; This is not included. The 4-seater sofa in the seating area can be transformed into an extensive lounge area! The small but well-equipped kitchen has a Boretti stove with 2 separate ovens, dishwasher, refrigerator and surprising selection of kitchen attributes; the hospitality industry background of the host has clearly played a role here! Only on request the host can assist you with advice and support."

**Assets**

- **Swimming pool**: Private swimming-pool, oval (length 5,50m, width 3,50m), illuminated, step ladder, outside shower (open from '01 may' till '01 october')
- **Parking**: Parking uncovered: 3 off road.
- **Advantages**

**Surroundings & location**

* Because of its location, in the heart of Tuscany, it is the perfect base for all trips. Culture sniffing, admiring Tuscan arts and architecture, enjoy local cuisine, a wine tasting at one of the ‘castelli’, a day at the sea, even a day of Rome, belong to the possibilities! Florence is of course by his cultural-historical history the treasure room in all of Tuscany. Siena also deserves a high degree of attention; the central square of Piazza del Campo forms each year the setting for the historic horse race Palio di Siena. The many idyllic villages are all worth a visit; Vertine, San Gusmè, Loro Ciuffenna, Volpaia, Greve, Radda, Gaiole. Volpaia produces the most delicious wines and is beautifully situated. This spherical Chianti village is a UNESCO World Heritage site. Greve, has a beautiful village square. It features a wine museum and various enotecas. The butcher on the square, called Falorni, deserves the designation ‘museum’. Discover why! Gaiole offers a phenomenal views of the typical Tuscan countryside and has many nice shops, Delicatessen shops with Tuscan specialties, underground vaults whith nice restaurants, enotechen and terraces. The most luxurious outletcentrum of Tuscany with many renowned names from the fashion world is a stone’s throw away."
