Also, there is a small, idyllic cemetery with a chapel. The mountains around Mírtos are suited for hiking. Abandoned mountain villages like Kalami are mystical and another beautiful destination. A hike through the Sarakina Gorge near Mírtos is exciting and accessible even for less experienced hikers. Generally, the area around Mírtos is ideal for those who want to spend holidays away from mass tourism, disco noise, and prefer to discover the country and the people. For all those, Crete is the perfect destination, and that at any time of the year. *
