## Holiday lettings

Mountain Chalet, detached, 2 floors, separate entrance, in a(an) Hamlet

- Ideal for sporty types, family groups
- View : mountain, country side, swimming pool, garden/park, forest, village
- Setting : rural, mountainy

" Fairytale Village In The Middle Of A Wood Near Pamporovo. The best place to stay is one of our 119m2 ski chalet with 2 double size bedrooms and 2 shower rooms surrounded by forest and lots of snow. It is a very popular location with the children who think they have come to Narnia. Have a winter sport holiday or a Multi-Activity holiday in summer. Or relax in our rural retreat with outings to places of scenic or cultural interest. Summer weather is usually reliably sunny and 18-22C. Cheap skiing and snowboarding and excellent snow cover. Ski lift passes are not much more than half the cost of those in Austria! The benefit of staying in a chalet includes a separate room for the kids and a living space for you to chill out in the evening. You also have a kitchen area and all the comforts of home but with an on-site restaurant and bar. There is nothing worse than taking the kids on holiday and being stuck in a hotel room while they are sleeping/lights out early/having to be quiet. Parents are able to chill out by the cozy, wood burning fire. "

Spa

" Amazing summer activities available from mountain biking to cycling, horse riding to Devin spa and pools, scenic waterfalls, caves to visit. Plovdiv has over 200 churches and 30 mosques to explore. This area of Pamporovo/Smolyan is a hidden secret. New spa centre at the village for 2015 including thermal baths, aromatherapy bath, steam room, sauna and massage. Fantastic summer location, trekking, horse riding, fishing, outdoor pool and jacuzzi. Also spend Christmas and New Year in winter wonderland surrounded by snow and beautiful surroundings! We are booking now for the ski and summer seasons. We tend not to complete the activity calendar as we can offer more than one villa. If you want to travel with friends we can put you in properties close to each other. December, January and February are particularly good as regards skiing conditions. "
