Holiday lettings

Flat-Apartments 4th floor, shared entrance, in a(an) Modern block of flats 4 floors

- View : not overlooked, sky scraper, street/avenue
- Setting : waterfront

" Walking and cycling: Natural Park of la Mata, a reserve of 3700 hectares. Guests can enjoy walks of 3.5 km with panoramic view on the Park and watch wildlife and flora as well as 5.2 km bike rides. This is his environment, where stand two saline lagoons, one rose and the other green, forming the natural park of la Mata and Torrevieja. They are enormous biological wealth and attract many followers of mud baths, which, in some places, are recommended for their therapeutic value. Further information, Aqualand, the Palmeral of Elche, Alicante and Murcia, beautiful cities to visit without forgetting the Mediterranean coast. "

Surroundings & location

Seaside

Fishing

" The coastline of Torrevieja is very large, with a total of 14 km of coastline where you will find a multitude of beaches and coves, some idyllic, such as Cala Ferris, located in the extreme south of Torrevieja. This Cove with crystal-clear waters looks more closer to the Caribbean Sea than the Mediterranean, and is covered with Palm trees and small dunes, is inhabited by parrots and offers you the opportunity to dive in the prairies of posidonia. All beaches of Torrevieja are certified by ISO 9001 and 14001, of environmental quality. Boat trips: from the fishing pier, you can get a tour along the coast and visit the island of Tabarca, amarine reserve where you can take a dip in splendid marine ecosystems. "
